Such payment will be made immediately upon the request of TDS, but in any event not later than the end of the pet's visit. Owners also authorize TDS to immediately charge any credit card belonging to Owner on file with TDS for any charges for veterinary services, medicine, treatment or other necessary attention provided to the pet during its visit.

ABANDONED PETS

1. Abandoned Pets. If the Owner fails to pick up the pet within five (5) days of its scheduled checkout date, or TDS has not released the pet to Owner within five (5) days of its scheduled check out date due to non-payment, TDS may, at its discretion, send to Owner a written notice stating that if Owner fails to pay all outstanding costs and charges owed to TDS and pick up the pet from TDS within ten (10) days of the date of such notice, the pet will be deemed to be an "Abandoned Pet." The notice to Owner will be sent by certified mail through the United States Postal Service to the most current address of Owner on file with TDS. TDS may, at its discretion, place any Abandoned Pet with any humane society, animal shelter, or animal rescue group. Owner, or owners agents, heirs, and assigns will have no further ownership right or other claim with the respect to any Abandoned Pet and hereby releases TDS, its members, managers, shareholders, directors, officers, employees, customers, guests, invitees, agents and contractors, and all other persons or entities (including any agency, shelter or person receiving ownership or possession of the Abandoned Pet) from any claims, loss or liability regarding the Abandoned Pet or TDS's care, treatment or disposition of the Abandoned Pet.
2. Notice, Waiver, Liability. Owner hereby waives any statutory right to notice or other rights of Owner regarding any Abandoned Pet provided under applicable law. Notwithstanding the foregoing, TDS may, at its discretion, exercise any rights and remedies regarding any Abandoned Pet provided under applicable law in addition to or in lieu of its rights and remedies under this Agreement.
